

# Mount Laurel Animal Hospital Partnership Packet

I am excited to welcome your organization to the Mount Laurel Animal Hospital Family and act as an extension of your dedicated team! Partnering with us allows you to access exclusive incentives and discounts. Once the required documentation is received and the appropriate paperwork is submitted, your organization will begin the 90-Day partner period. During this time you will receive all discounts and incentives as outlined; however, we require all invoices to be paid in their entirety within 1 month after services are rendered. In addition, a 50% deposit of any high-end estimates associated with a procedure will be required. Once the 90-Day period concludes, and payments/deposits were completed as outlined, your organization will no longer be required to leave a deposit prior to services. I look forward to working with you!

## Jillian Erwin

### Rescue Coordinator

A seasoned professional in the veterinary field, Jillian Erwin has worked diligently in General Practice and Emergency Medicine for the past 20 years. Performing various roles such as a technician, receptionist and in upper management has made her extremely well-rounded and able to assist on all levels. She is a true asset to the Mount Laurel Animal Hospital Family.

Over the years Jill has seen thousands of pets enter our hospital, but the ones that capture her heart the most are rescue pets. In 2015, Jill's passion for rescue led her to assume the position of Rescue Coordinator at our hospital. She takes pride in assisting local shelters, all of New Jersey's Animal Control cases that pass through our hospital and over 120 of the tri-state area's rescue organizations. She has personally helped hundreds of pets find their forever homes.

Out of the office she enjoys spending time with family and friends. She shares her home with her husband of 18 years, 3 children, and 3 rescue pets!
