

2022 Sponsorship Opportunities

Build New Relationships Become An MLAH-U Sponsor!

As a leading CE provider in South Jersey, we have a database composed of more than 225 veterinary clinics throughout the South Jersey and Philadelphia region. This is prime opportunity for you to network and advertise through various social and traditional marketing channels.

veterinary technician symposium

Sunday, June 9
8am - 5pm

2019

Mount Laurel Animal Hospital Event Auditorium

EARN 6 RACE CREDITS

8:30am

Karen Roach, RVT, VTS

The Touch of Triage

How to properly and thoroughly triage. How this skill does not end in the waiting room.

9:45am

Morgan Rodgers, BS

& Fiona Lee, VMD, DACVD, MBA

Dermatology: Making the 'rash' decision

Making the best out of a Dermatology related General Practice appointment.

11:00am

Wendi Rensman, CVT

Staging Periodontal Disease

Review of normal and abnormal oral anatomy, the basics of periodontal disease in our patients, extra oral & intra oral examination and equipment used.

1:30pm

Elizabeth Vetrano, CVT

The importance of proper husbandry for exotics patients

This lecture will give a brief overview of the basics of husbandry with various exotics species.

2:45pm

Jean L Tomaselli, CVT, KPA-CTP

Practical solutions for low stress handling

We are becoming aware of the challenges that arise when implementing low stress handling in our veterinary facilities. What's working for the practices who ARE making progress?

4:00pm

Tasha McNerney, CVT, CVPP, VTS

Parameter Party: How to love monitoring anesthesia

Make sense of all those anesthesia monitoring parameters and feel more confident with patients under anesthesia. Discover the one anesthetic tool you cant live without, and the one you already have but aren't using enough.

We invite you to join us:

WHEN NEUROLOGIC AND NEUROCHEMICAL WIRING IN THE BRAIN GOES WRONG: BETTER LIVING THROUGH CHEMISTRY

Presented by Behaviorist, Dr. Shana Gilbert-Gregory, and Neurologist, Dr. Philip Cohen
